

***A Soft Morning with  
Miso***

A gentle start to the day,  
the Tixymix way.

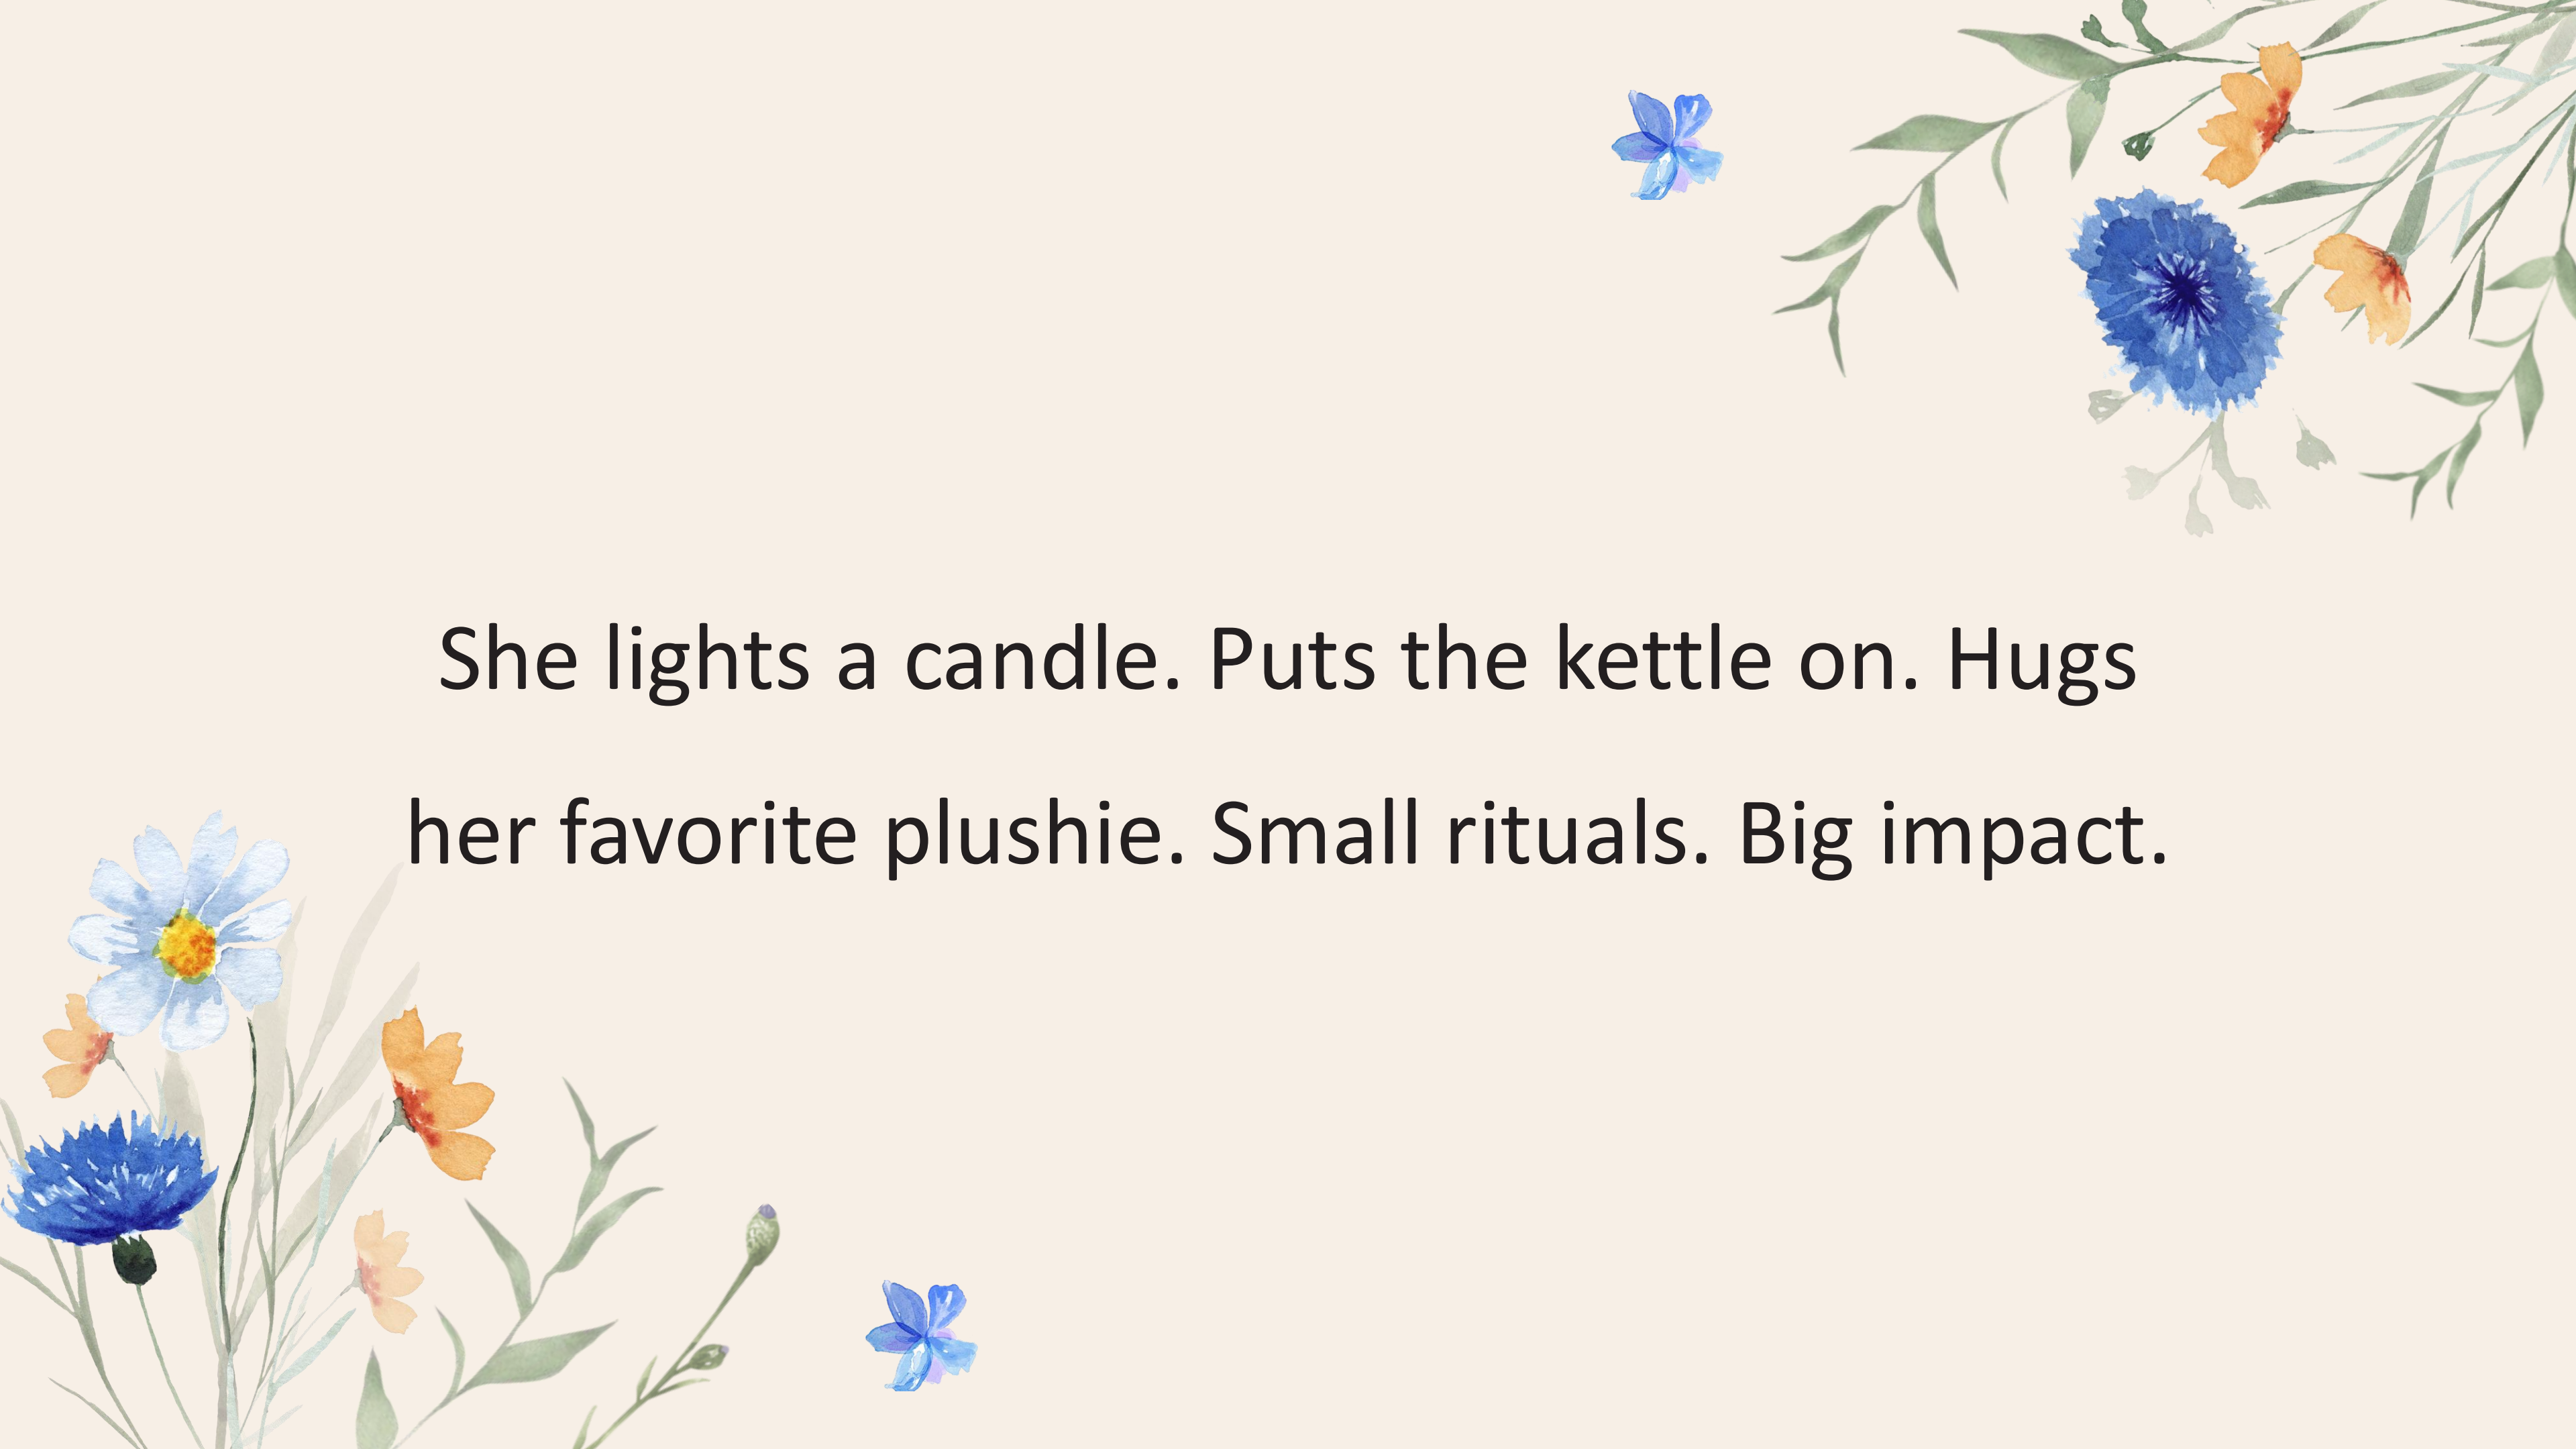

A watercolor illustration of various flowers and greenery. In the top right corner, there are green leaves, a large blue cornflower, and two orange flowers. In the bottom left corner, there is a large light blue flower with a yellow center, a blue cornflower, and several orange flowers. A small blue flower is also in the bottom center, and another is in the top center. The background is a light cream color.

Miso wakes slowly. No alarms. No rush. Just  
the soft light of morning and the quiet  
comfort of stillness.

The image features watercolor-style floral illustrations in the corners. The top-right corner shows a cluster of green leaves, a large blue cornflower, and two orange flowers. The bottom-left corner shows a large light blue daisy-like flower, a blue cornflower, and several orange flowers. There are also two small, isolated blue flowers, one in the top-center and one in the bottom-center.

She lights a candle. Puts the kettle on. Hugs  
her favorite plushie. Small rituals. Big impact.

**No news. No noise.**

Just music she likes, a journal she trusts,  
and thoughts she lets wander.

Softness isn't weakness. It's a way  
to begin again, gently.
